

CYBERGYM NYC

HUMAN-CENTRIC CYBER TRAINING & QUALIFICATION

CYBERGYM provides custom cyber qualification & training solutions to critical infrastructure organizations and governments around the world. Utilizing a connected network of Cyberwarfare Arenas, CYBERGYM ensures you are ready to defend against complex, concurrent cyberattacks and mitigate potential disasters.

CYBERGYM's human-centric programs qualify your entire organization, training your people, using your processes and your technologies. Our network of Cyberwarfare Arenas provide the latest attack scenarios in a secure environment that emulates your actual infrastructure.

Founded in 2013 by experienced veterans of Israel's prestigious military and intelligence organizations, CYBERGYM provides cyber training and
